

Who is Mrs McIntyre?

The beach is my favourite place to be! I love to go to the beach where I especially enjoy body-boarding and kayaking.

I have a caravan in Bude which I love to visit most weekends and in the holidays.

I really enjoy reading. I hope you all do too! I love to read to the class and discuss what we enjoy about different books. My favourite is Hairy Maclary. What's yours?

I have one child. A boy called Ben who is 23 and much taller than me! He enjoys travelling the world and I will enjoy sharing his travels with you!

I love being outside and going for long walks with my family.

My brother lives in Australia. I often read a bedtime story to his children. Their bedtime is when we are getting ready for school!

I love being a Higher Level Teaching Assistant (HLTA) I think it's the BEST job.
