

Get to know Miss Pentreath

The beach is my favourite place to be! I especially like to be in the sea; either swimming or surfing. I also love searching for shells, sea glass and other treasures along the shore.

I love to be active. Whether it's playing netball, swimming or running. I played a lot of football when I was younger!

I have two children. A girl and a boy. One is 8 and one is 5. We love to explore and go on woodland or beach walks whenever we can. We love to be outside!

I really enjoy reading...I hope you all do too! I love to read to my class and discuss what we enjoy about different books.

I love art, particularly drawing and painting. When I was at school I used to want to be an artist!

I have family that live near Mousehole so I have spent a lot of time there throughout my life! It's a very special place to me!

I love being a teacher. I think it's the BEST job.
